

# Please donate to our "Raise The Thermometer" Campaign for Nursing Scholarships

As nursing professionals, we all remember the slight sense of fear that accompanied us as we started our first day of school as a nursing student. How hard would it be? Would I like my professors? Am I cut out for this? And for some, the challenge of paying for this education only added to the fears. Today, inability to afford a nursing education is preventing many bright, talented individuals from entering our noble profession.

The Iowa Nurses Foundation supports that mission by offering continuing education programs and, most importantly, nursing scholarships. This year, we need to raise \$6,000 to fund scholarship requests. We are asking you to make a donation to our "Raise the Thermometer" Campaign for Nursing Scholarships.

Would you consider donating \$25, \$50, \$75 or more to help the Foundation show prospective nurses that we care? For your convenience, you can donate online at [www.iowanurses.org](http://www.iowanurses.org) or mail your donation to Iowa Nurses Foundation, 2400 86th Street, Suite 32, Urbandale, IA 50322-4306. If mailing please notate thermometer in the memo line. Thank you!
